

DM4 Stelo

IP65 IK05 E27 GLFR AN H800

Bollard luminaire

Stylistically, this bollard luminaire for outdoor use is an excellent match with the wall-mounted DM4 luminaires. The DM4 Stelo bollard luminaire reflects light in four directions. Available with an integrated LED and an E27 base. High-quality surface treatment: the aluminium housing is coated with polyester paint that is resistant to corrosion and UV radiation, the screws are made of stainless steel. Installation with a separate mounting base (ground mounting tube MTS-2N 4146704).
